

CURRICULUM VITAE OF GREG MURROW

Greg Murrow of Murrow Consulting Pty Ltd is a respected Building Code of Australia (BCA) Consultant and Access Consultant with over 20 years experience in building regulations consulting.

With the experience gained from 9 years in local government as a specialist building surveyor throughout Sydney, coupled with over 11 years experience gained from working in private industry, Greg Murrow is a fully accomplished BCA Consultant & Access Consultant with particular expertise in formulating Performance Solutions and identifying / resolving BCA non-compliances.

Greg Murrow's competence is also reflected in his undergraduate and postgraduate qualifications and peak accreditation as an A1 – Accredited Certifier – Building Surveying Grade 1 (Unrestricted) under the NSW Government Building Professionals Board Accreditation Scheme.

Greg is also a qualified Access Consultant having graduated with the Certificate IV in Access Consulting. This qualification, together with extensive experience in the field of access consulting, has certified Greg as an Associate Member of the Association of Consultants in Access Australia (ACAA), which is the peak industry body for Access Consultants in Australia.

As a result, Greg's reputation as a skilled, knowledgeable and reliable BCA & Access Consultant is well established amongst clients and industry peers.
